II. Read returns of patients treated at the Hindu Vaidyasalas of Chikmagalur, Tarikere and Birur from July 1905 up to end of January 1906. The number of patients admitted were 11,865, 8,364 and 1,947, while those for the same months of the previous year were 17,531, 8,931 and nil, respectively.

Resolution.—Recorded.

III. The following Government Orders and other papers were read and recorded :—

(1) Government Order No. 4581-4—Med. (13-05)-6, dated the 3rd November 1905, requesting the Senior Surgeon to issue clear instructions to the Hospital Assistants to announce beforehand the day on which they would visit the villages, so that the villagers may avail themselves of the presence of the Hospital Assistant on the day appointed. Also District Medical and Sanitary Officer's docket No. 1002, dated the 28th December 1905, forwarding a statement showing the names of the villages and the names of days of the week on which the Hospital Assistants visit those places.

(2) Government Proceedings No. 5276-307—Med. (111-05)-3, dated 22nd November 1905, sanctioning the introduction of the "Kurnool Scheme" of Vaccination into the Mysore Province.

(3) Government Proceedings No. 5558-92—Med. (115-05)-4, dated the 27th November 1905, reviewing the Annual Medical and Sanitary Report of the State for the year 1904.

(4) Government Proceedings No. 5881-92—L. B. (27-05)-6, dated the 4th December 1905, directing that the estimates for the special repairs of Local Fund roads and other works should be placed before the Boards for sanction previous to countersignature by the Presidents.

(5) Government Proceedings No. 6433-41—L. B. (91-05)-2, dated the 19th December 1905, directing that Amildars need not be appointed ex-officio Members of District Boards as Assistant Commissioners should fully represent the interests of the taluks in their charge.

(6) Government Order No. 6714-22—L. B. (163-05)-4, dated the 28th December 1905, stating that Government consider that the work of providing water must be done by one of the menial servants of the Dispensary; that in places where this is not possible, other arrangements may be made by the payment of daily wages not exceeding two annas to the outsider whose services may be called into requisition and that the proposal to attach an allowance to one of the menial servants employed in the Dispensary does not commend itself to Government.

(7) Government Proceedings No. 7187-98—L. B. (267-05)-2, dated 10th January 1906, directing that all expenditure to be incurred on account of the incomplete works of previous years should be met by re-appropriation from the existing grants in the budget, as no grant of lapses is admissible under budget rules.

(8) Government Proceedings No. 7366-409—Med. (84-05)-15, dated 16th January 1906, directing the Heads of Departments and others to make the necessary arrangement in the matter of payment of maintenance and other allowances direct with the patients whom they send to Kasauli for treatment.

(9) Government Order No. 7460-78—Ml. (870-05)-1, dated 18th January 1906, issuing instructions in the matter of submission of supplemental and revised budgets.

(10) Government Order No. 7548-56—Med. (111-05)-4, dated 19th January 1906, reviewing the Report on the Vaccine Institute and on vaccination for the year 1904.

(11) Government Order No. 8555-6—L. B. (85-05)-2, dated 17th February 1906, sanctioning the execution of certain non-budgetted works.

IV. Read subject No. V, and the resolution passed thereon by the District Board at its meeting held on the 20th December 1905, to the effect that the question of contributing Rs. 1,000 for the construction of a musafirkhana at Sollebyle as per Government Order No. 5701-2—L. B. (69-05)-5, dated 30th November 1905, be brought up at the next budget meeting.

Resolution.—The Board regrets to state that no funds are, at present, available for contribution towards the construction of the proposed musafirkhana at Solebyle. As Solebyle and Santhweri are both situated on Provincial Fund roads, which are much frequented by travellers, the construction of musafirkhanas at these places is very necessary, and the Board desires that Government be addressed to construct the musafirkhanas from Provincial Funds, at an early date, as the travelling public is put to much inconvenience.

V. Read Chief Engineer's letter No. 8360, dated 20th December 1905, informing that the work of widening the bund of the Hirekathur Dodkere tank to ten feet will be done at a cost of Rs. 486 and paid for out of Provincial Funds only on condition that the raiyats execute a mutchalika that they will maintain the bund, which will soon be otherwise ruined by the cart traffic or if the proper maintenance of the bund to this standard by the raiyats under the maintenance rules is guaranteed.

Resolution.—Recorded.

VI. Read Tarikere Taluk Amildar's report No. 286, forwarding the proposal of the Tarikere Taluk Board to open out a road from Bukkambudi to Chennagiri owing to heavy traffic.

Resolution.—The Board is unable to provide funds at present.

VII. Read Tarikere Taluk Amildar's report No. 159, dated 20th December 1905, forwarding the proposal of the Tarikere Taluk Board to increase the contingent allotment of the Hindu Vaidyasala from Rs. 9 to Rs. 15. Also the resolution of the Tarikere Municipal Board, agreeing to pay its quota of the extra contribution towards the proposed increase.

Resolution.—The Board is glad to learn that the institution has become very popular and is therefore prepared to contribute its quota, *viz.*, Rs. (20-9-1) from the ensuing year.

VIII. Read Chikmagalur Taluk Amildar's report No. 138, dated the 26th December 1905, forwarding the proposal of the Chikmagalur Taluk Board, requesting the establishment of a cattle pound at Mavinhalli in the Vastara hobli, as the one at Neradi is far away from the place, and that the one at Halsmane has been lately abolished.

Resolved that a cattle pound be established at Mavinhalli as recommended by the Taluk Board.

IX. Read Senior Surgeon's docket No. 3716, dated 3rd—4th January 1906, agreeing that a new building for locating the Dispensary at Tarikere would be the best and that the residence for the Hospital Assistant and another for the midwife should be erected at the same time as the Dispensary. Also Senior Surgeon's No 3863, dated 6th—8th January 1906, forwarding extract of his remarks during his inspection of the Tarikere Dispensary to the same effect.

Resolution.—Approved.

X. Read Executive Engineer's memo No. 78, dated 10th April 1905, forwarding a statement showing the names of Dispensaries, the flooring of which is to be renovated, and requesting that the amount of Rs. 663, contribution payable from District Funds, be provided in the budget.

Resolved that Rs. 663 as per estimate be provided in the budget.

XI. Read Executive Engineer's docket No. 14, dated 10th January 1906, forwarding revised statements of amounts required for the repairs of several Dispensary buildings in the district, the amount required to be contributed from District Funds being Rs. 2,784.

Resolved that as a sum of Rs. 663 has been provided in the ensuing year's budget to meet the cost of flooring Dispensaries, the amount required for repairing the Dispensaries cannot be sanctioned for want of funds.

XII. Read Kadur Division Executive Engineer's docket No. 877, dated 28th—31st December 1905, forwarding the budget estimates of works to be executed by the Public Works Department during the ensuing year 1906-07. Read also the list of estimates for works proposed by the several Taluk Boards to be executed during the ensuing year

Resolution.—The Board allots only a sum of Rs. 30,994 for works by the Public Works Department and Rs. 3,334 for those of Civil Department as per details given in the budget statements, and regret that they have to defer several of the important and urgent works for want of funds. In order to remedy this state of things the Board unanimously resolved to approach Government to kindly sanction the transfer of 68½ miles of the following roads costing Rs. 6,090 to Provincial Funds and thus enable the Board to provide for important and urgent works of sanitation and well works, which are badly required in the several taluks of the district.

		Rs.
1. Shimoga-Yedahalli road 10½ miles at Rs. 100 per mile	...	1,050
2. Chikmagalur-Yedahalli road 40 miles at Rs. 100 each	...	4,000
3. Bababudan Hill road 1st 18 miles at Rs. 80 each	...	1,040
Total	.	6,090

XIII. Read Chief Engineer's letter No. 68, dated 5th January 1906, informing that as there is no money available under "Original Communications," the work of constructing a native kitchen to the travellers' bungalow at Sampigekan will be ordered to be undertaken next year, unless it is found that funds are available under that head after receipt of all the re-appropriation statements which are now due, in which case the Superintending Engineer will be requested to sanction an estimate for the work. Read also docket No. 24, dated 25th January 1906, from the Executive Engineer, Kadur Division, forwarding an estimate for Rs. 1,120 for countersignature.

Resolution.—The estimate may be countersigned and returned and the Chief Engineer requested to sanction the construction of stables along with this work.

XIV. Read Executive Engineer's docket No. 20, dated 20th—22nd January 1906, forwarding an estimate for Rs. 3,280 for executing special repairs to Koppa-Badagi road.

Resolution.—The Board resolved that funds are not available for allotment for this work.

XV. Read reports from the Amildars forwarding for the approval of the Board estimates for putting up two black boards at Rs. 10-11-0 each to the musafirkhanas at Birur and Kadur and notice boards to the third class travellers' bungalows at Hariharpur, Narve and Sringeri at Rs. 1-2-0 each.

Resolution.—Approved.

XVI. Read Koppa Amildar's report No. 565 of the 12th February 1906, forwarding the resolution of the Taluk Board suggesting the desirability of constructing a musafirkhana at Begar.

Resolution.—The Board is of opinion that there is no necessity for the present.

XVII. Read yadi No. 7, dated 9th July 1905, from the Divisional Assistant Commissioner, recommending the opening of a ferry at Madaba in the Yedahalli Sub-Taluk. Read also docket No. 48, dated 14th February 1906, from the Executive Engineer, Kadur Division, stating the private doni at the Tunga crossing at Madaba near Konakere in the Yedahalli Sub-Taluk is used only by a private raiyat who lives on the other side of the river and that it is not important or remunerative to be taken any notice of by the District Board.

Resolution.—As remarked by the Executive Engineer, there is no necessity for maintaining the doni at Government cost.

XVIII. Read Government Order No. 7027-35—L. B. (275-05)-2, dated 6th January 1906, requesting to obtain and forward the resolution of the District Board in the matter of paying rewards to patels for keeping their villages clean and tidy.

Resolution.—The Board is of opinion that it is not desirable to award any prizes, as most of the patels of this district are well to do persons and are not likely to care for the competition to obtain prizes in the shape of small sums.

XIX. Read Secretary's Official Memorandum No. 7852—M1 (377-05)-2, dated 16th January 1906, forwarding for disposal the petition of K. Tirumalachar praying for the grant of scholarship to study in the Karnataka Vaidyasala in Mysore.

Resolution.—The Board desires to know whether any students are undergoing training in Mysore and what amount of scholarship is granted to students and the period for which the scholarship is to be granted.

XX. Read para 7 of the resolution of the District Board dated 20th December 1905, directing to allot Rs. 837 for the well work at Kerehosahalli in the Tarikere Taluk in the ensuing year's budget.

Resolution.—As most of the works of urgent nature have been deferred for want of funds the Board regrets its inability to provide any funds at present for this work also.

XXI. Read yadi No. 193, dated 18th February 1906, from the Divisional Assistant Commissioner, forwarding Koppa Amildar's report No. 524, dated the 14th February 1906, and requesting orders as to whether the ferries in the Koppa Taluk should be sold annually as usual or once every three years.

Resolution.—The Board resolved to sell the ferries once in three years.

XXII. Messrs. Srinivasa Rao and Watson brought to the notice of the Board that some of the estate roads now maintained from District Funds are purely used by the planters alone and the local cess paid by them is quite out of proportion to the amount spent from District Funds on account of their roads, and suggested the investigation of the matter with a view to decide which of the roads are used by the public and have therefore to be maintained from District Funds.

Resolution.—The Board being of opinion that the matter is one deserving of consideration, appointed a sub-committee consisting of—

1. The Executive Engineer,
2. The Divisional Assistant Commissioner,
3. The District Medical Officer,
4. Mr. Watson,
5. Mr. C. Srinivasa Rao,

for the submission of a report after enquiry.

XXIII. Read the explanatory notes on the budget estimates of District Fund receipts and expenditure for 1906-07, as prepared by the Finance Committee. The following is an abstract of the estimate:—

	Rs.
1. Estimated opening balance on 1st July 1906	5,593
2. Receipts for 1906-07	59,580
Total ...	65,173
3. Estimated expenditure—	
A. Works to be executed by P. W. D. ...	30,994
B. Civil Department	3,334
C. Civil Charges	23,395
Total ...	57,723
Estimated closing balance ...	7,450

Resolution.—The Board approves of the modified draft budget with the observation that most of the works of an urgent nature have had to be deferred for want of funds.

XXIV. Resolved that the next meeting be held on the 28th May 1906.

M. CHENGIAH CHETTY, *President.*
